12:30 - 4:30PM

Korfball 8, Round Robin

Free agents welcomed

Korfball is a unique, co-ed sport that combines elements of basketball, netball, and handball. Traditionally played by teams of four men and four women (teams of two men and two women in beach korfball), korfball emphasizes cooperation and gender equality. The sport is played on a rectangular court with a goal (korf) at each end. The objective is to score by throwing a ball through the opposing team's korf.
