

WHEELCHAIR KORFBALL

THE MIXED GENDER SPORT

GAMEPLAY

- Each team can have 8 players on the field of play. (4 females and males) split evenly between two zones.
- Players stay in their designed zones until two goals are made. Then the player switches roles by switching zones
- The half court line is the boundary between the attacker zone and defense zone.
- The players must pass the ball over the midcourt line to move it between zones.

ATTACK ZONE

- No dribbling
- Once you receive a pass only two pushes are allowed before you have to either pass or shoot
- No hand offs ball must travel through the air
- No setting screens

RULES

DEFENSIVE ZONE

- No double teaming
- Once a player has control of the ball you can not steal it out of their hands.
- Legal guarding position by covering the path of the opponent or give the opponent time and distance to avoid contact
- Only play defense on the same gender.
